In the case of a part-year resident, the Colorado alternative minimum tax shall be apportioned in the ratio of the modified federal alternative minimum taxable income applicable to that part of the year he was a resident plus the modified federal alternative minimum taxable income from Colorado sources, if any, during

that part of the year he was a nonresident over the total modified federal alternative minimum taxable income.

Adjustments relative to the standard deduction and itemized deductions would be Colorado adjustments to the extent of the Colorado adjusted gross income ratio as determined on line 34 of Form 104PN.
